

A close-up photograph of a woman with dark, curly hair. She is looking down intently at a small, dark object she is holding in her hands. Her expression is serious and focused. The background is blurred, showing what appears to be foliage or a garden.

Surprised by a beautiful day, the piano teacher Tomokomi decided to play the piano with an open window. And before he realized it, Ryou was intruder, walking through the window without permission. The intruder was the much talented surgeon Masahiro, who worked in a nearby university hospital. This surgeon starts to pursue Tomokomi, reasoning "You're more beautiful than the music you play" he says, scaring Tomokomi. Ryou completely fascinated, will Tomokomi be able to get away from his pursuer?
